Trump offers 'any role' to ambassador

PRESIDENT Donald Trump has accepted the resignation of his UN Ambassador Nikki Haley.

He said she would be leaving the post at the end of the year after doing "an incredible job".

Joined by the former South Carolina governor in the Oval Office, he invited her to come back in a different role, adding: "You can have your pick."

Mr Trump said Mrs Haley (*above*) told him six months ago she wanted to take some time off.

Her exit comes after she served as the temporary president of the UN Security Council for a month.

Mrs Haley's Twitter bio yesterday removed all references to her role as UN ambassador.

In April, she clashed with the White House when a Trump aide suggested she had prematurely announced a new round of sanctions against Russia.

NHS waste firm loses contracts

A CLINICAL waste disposal firm has been stripped of its NHS contracts after allowing body parts to pile up at facilities.

Healthcare Environment Services had "failed to demonstrate that they were operating within their contractual limits".

Health Minister Stephen Barclay told MPs that 15 NHS trusts had served termination notices to HES, with the work being taken over by Mitie.

In a statement to Parliament he said: "I can confirm that NHS services continue to operate as normal."

10,000 flee blasts in new Ukraine disaster

MORE than 10,000 people were forced to flee in terror yesterday as a giant ammunition dump went up in smoke – sending flames hundreds of feet into the air and exploding shells in all directions.

Authorities reckon sabotage is behind the blast that tore through the ammo depot 110 miles east of

Kiev, Ukraine, in the early hours of yesterday. And few are in any doubt who's behind the disaster – the latest in a string of explosions at Ukrainian ammunition dumps...

Russian's strongman boss Vladimir Putin.

The blasts shattered windows in surrounding village houses while explosions could also be heard in a nearby wood where some ammunition appeared to have come down.

Explosions were happening at a rate of two to three a second at one stage, according to the defence ministry.

Ukraine has in the past pointed the finger at Russia for such types of incidents as

Don't look at me, guv!

relations between the two countries plunged following Moscow's annexation of Crimea in 2014.

Its deputy prime minister linked the explosions to a decision pending in Istanbul this week, allowing the country to establish an independent national church – which Russia fiercely opposes.

Fighting between Ukrainian troops and Moscow-backed separatist rebels has killed more than 10,000 people since 2014.

Sturgeon: SNP goal is clearly in sight

THE SNP's goal of Scottish independence is "clearly in sight", Nicola Sturgeon has told party members.

With less than six months to go until the UK formally leaves the European Union the First Minister said Westminster was stumbling "from disaster to disaster", while the Scottish Government was living up to its responsibilities and helping with "meeting the global challenges of our age".

Speaking at the SNP conference in Glasgow, Ms Sturgeon (*above*) said: "Just think how much more we could do, free of the chaos and incompetence of Westminster."

"Just think how much more hope will be possible when we take Scotland's future into Scotland's hands and become an independent country."

"An independent Scotland, just as Scotland is now, will be a beacon for progressive values – equality, opportunity, diversity and fairness."

"Those values feel more important today than at any time in my life."

The speech comes after Sturgeon said SNP MPs would back a so-called 'People's Vote' on Brexit if the issue comes before the House of Commons.

PLENTY OF FISH KILLER WARNED MEDICS HE'D DO IT

MENTAL ILLNESS: Langdell had violent fantasies

A MENTALLY ill man told NHS staff he had 'violent fantasies of murdering women and raping them' before he killed and sexually assaulted a young teacher.

Carl Langdell, 26, strangled 23-year-old Katie Locke at Theobalds Park Hotel in Waltham Cross, Hertfordshire, during their first date on Christmas Eve 2015. He was jailed for 26 years in June 2016 after admitting her murder.

Treated

The pair had met on dating website Plenty of Fish.

An independent investigation ordered by NHS England revealed Langdell had been treated by Avon and Wiltshire Mental Health Partnership Trust earlier in 2015.

By COLIN HURST
news@sundaysport.co.uk

Langdell, who had a history of mental illness, had admitted having 'violent fantasies of murdering women and raping them' to staff, it found.

But when Langdell moved to Hertfordshire, this information was not shared with the mental health team there.

And NHS England's regional medical director Dr David Levy said: "This created a gap at the heart of care planning and risk assessment and

negatively impacted inter-agency working."

The independent review, which was published yesterday, said the incident could not have been predicted with any degree of certainty that would have made it possible to prevent.

Unstable

But it found there had been 'systemic missed opportunities' to assess the risk Langdell posed.

He was diagnosed as having an emotionally unstable personality disorder and the report said his behaviour was 'highly volatile', but he was intelligent and

could be very engaging. The report said during his treatment Langdell disclosed 'violent fantasies of murdering women and raping them'.

At the time of Ms Locke's death, Langdell was under supervision of the probation service for threatening to kill a community psychiatric nurse.

Langdell was fully

compliant with his sentence and he had no other previous convictions.

The report told the Hertfordshire trust to improve its risk assessment and management; improve its communication with other agencies; review the mental health treatment requirement training; and improve its discharge process.

KIM INVITES POPE TO N KOREA

NORTH Korean leader Kim Jong-un has invited Pope Francis to visit the country, South Korea's presidential office has announced.

The invitation to visit Pyongyang will be delivered by South Korean president Moon Jae-in who will be in the Vatican next week as part of a trip to Europe.

No pope has ever visited North Korea,

though the late Pope John Paul II was once invited.

North Korea and the Vatican have no formal diplomatic relations.

Gesture

"During the meeting with Pope Francis, Mr Moon will relay the message from chairman Kim Jong-un that he would ardently welcome the Pope if he visits the

North Korean capital Pyongyang," Mr Moon's spokesman, Kim Eui-kyeom said.

The invitation is the latest reconciliatory gesture from North Korea.

Mr Kim held an unprecedented summit with US President Donald Trump earlier this year and three inter-Korean summits also took place.

FAN BIDS £1M FOR RITA'S PANTIES

Sold to the
man at the
back!

By **BECCA STUBBS**

becca@sundaysport.co.uk

A SUPERFAN of pop star Rita Ora has bid an eye-watering £1MILLION for a pair of her worn panties.

The as-yet unnamed millionaire, based in Oman, has put the humongous sum of cash on the table in a bid to own Rita's old underwear.

His offer comes after the Kosovan-born star, 27, revealed she had that many clothes she was considering selling her old outfits.

Rita said: "There are clothes all over the place – when I want to open the door, things fall out."

Exhibition

"It's mostly stuff I've worn at shows...maybe I'll do an exhibition or sell them."

One of her mega fans has taken the sale hint literally and reportedly contacted Rita's team to offer the mammoth amount of cash, should she ever auction off the lingerie she has worn at her gigs.

A source from the Arab state said: "We know of a very wealthy man who wants to buy Rita's knickers."

"Although we can only imagine what for."

"He is serious about his million-pound offer – money definitely isn't

an issue and he'll outbid anyone who might threaten his plan.

"He'll do whatever it takes to get Rita Ora's panties – the thought of her gyrating all sweaty and sexily in the knickers turns this gentleman on more than anyone can imagine."

KATIE A BUM KISSER

STRICTLY Come *Dancing* star Katie Piper revealed she loves to KISS people who she doesn't like – because they're kissing her ARSE.

Katie (right), 34, had reconstructive surgery after her acid attack in 2008 and her skin grafts on her face were taken from her bum.

And Katie, who's dancing with Gorka Marquez, 28, on the BBC dance show said: "Anyone I don't like I always make sure to kiss, so they can kiss my arse."

This lot are madder than Mad Jack McMad!

GREAT ROLE:
Helen as Catherine

FAMED Russian leader Catherine the Great is set to hit the small screen in the shape of Dame Helen Mirren.

Helen, 73, stars in a new four-part series about the sex-mad monarch who ruled her country for half the 18th century.

The series will explore the strong-minded, independent leader who was best known for her rampant shagging sex life.

Catherine was linked to many different men and when she tired of them in the bedroom, would remain on good terms and even "donate" gifts of slaves to her exes.

The Russian monarch even

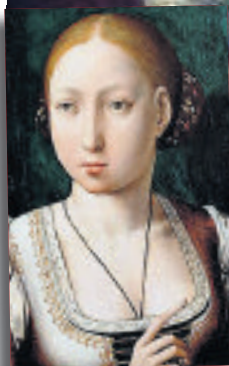

By **REX ROWLANDS**
news@sundaysport.co.uk

had a mould made of one love interest's cock – so she could "console herself" when he was away.

What the new telly series WON'T look at is the story that she died when she was crushed to death while having sex with a horse – or that she croaked it while sat on the toilet.

Historians say both stories are myths, and that the ruler actually died in bed after suffering a stroke.

Today the *Midweek Sport* takes a look at the people in history who were, in the words of Blackadder: "Madder than Mad Jack McMad."

JOANNA THE MAD

THE daughter of the famed "Catholic Monarchs" Isabella and Ferdinand of Spain, Juana "la Loca" – Joanna the Mad – inherited their thrones AND mental health issues.

She married a notorious lecher named Philip the Handsome, and he drove her crazy with his constant cheating.

After he died young, Juana dug up his body and carried his casket everywhere with her.

She went around Spain in a giant funeral procession, showing off his deceased body from 1506-09.

KING EDWARD VII

KING Edward VII is said to have had a very large sexual appetite.

He had a "love seat" with golden stirrups and knee pads just for lovemaking.

Edward also liked to "bathe with a prostitute or two in champagne," which sounds like a waste of good fizz!

ADOLF HITLER

UNDER Hitler's leadership and racially motivated ideology, the Nazi regime was responsible for the genocide of at least six million Jews and others he deemed "subhumans".

Hitler and the Nazi regime also killed an estimated 19.3m civilians and prisoners of war.

In addition, 28.7m soldiers and civilians died as a result of military action in the European theatre.

The number of civilians killed during World War II was unprecedented in warfare and the casualties constitute the deadliest conflict in history.

THE first official royal mistress of France from 1444-50, Agnes Sorel commanded power and influence in the court of King Charles VII.

Her dress sense was outrageous, insisting on wearing her dresses so that one boob was completely exposed.

She died of mercury poisoning aged just 28 in 1450, which led to suspicion that she had actually been murdered by one of her enemies.

AGNES SOREL

EMPEROR CALIGULA

ROMAN emperor Caligula believed he was a god and that the god of the sea was plotting against him.

An alcoholic, he tried to make his horse a senator but died before the appointment was completed.

Prior to death he ordered political prisoners to be decapitated over dinner, married his own sister and ordered political murders.

His mental health deteriorated suddenly after a severe fever that eventually killed him.

ELEGABALUS

BORN Varius Avitus Bassianus in what is now Syria, his family were priests of the sun god El-Gabal – from which Elegabalus took his nickname – and he became high priest while still a child.

With the army's support Elegabalus was given the regal name Marcus Aurelius Antoninus Augustus and proclaimed emperor at the age of 14 in the year 222.

He married a Vestal Virgin – but his true love was said to be a male slave named Hierocles who Elegabalus proclaimed to be his husband.

HEROD

FORGET all the Bible stories – Roman emperor Herod was a sicko in the bedroom, too.

His wife Marianne regularly made Herod jealous so, thanks to some conspiring from his own family, Herod had her killed.

But he could not let her go after her death.

Legend has it that he kept her dead body and still bonked it for seven years after her demise.

IDI AMIN

FORMER Ugandan leader Idi Amin was a cruel dictator responsible for the deaths of more than three million people.

The power-crazed madman made all the beautiful girls in his palace victims of his insatiable lust.

Amin was fond of eating human flesh and the large number of human heads recovered from his fridge are evidence.

MAD JACK MYTTON

SHROPSHIRE squire John Mytton began earning his "Mad Jack" nickname from an early age.

His swift expulsion from Harrow came after he left a horse in one of his private tutor's bedrooms.

He loved to fox hunt in all weathers and in winter, if he got hot during a chase, he would strip off and ride naked through snow drifts and swollen rivers.

He fed steak and champagne to favoured dogs – from the 2,000 or so he kept – and let his favourite horse wander inside Halston Hall.

Jodie killer role is so arousing!

ACTRESS Jodie Comer says her serial killer character Villanelle gets TURNED ON by slaughtering people.

Jodie, 25 (above), who has seen her stock rise rapidly since the BBC drama *Killing Eve* first aired, opened up about playing the brutal assassin.

She said: "I think those people are very interesting because you always have to find a reason for what they are and why they do what they do."

"Villanelle enjoys killing people – I think it arouses her, which is really messed up – and she gains a lot of personality from what she does."

"Villanelle can be so flippant, especially in quite dark and serious situations. I think that's what's unique about her, but sometimes it felt a little unnatural."

"She's such a freak." *Killing Eve* charts the cat and mouse chase between psycho hitwoman Villanelle and MI5 agent Eve Polastri, played by Sandra Oh, 47.

Kanye set to meet Trump

RAPPER Kanye West has been granted an audience with Donald Trump at the White House.

The rapper – who has faced criticism for his support of the U.S. president – will meet him in Washington DC tomorrow.

West (above), 41 – who now calls himself Ye – is said to want to discuss the availability of job opportunities for former convicts as well as the number of manufacturing jobs in his home town of Chicago.

His wife, Kim Kardashian West, visited the White House in May to to discuss prison reform.

'DOC SQUEEZED MY BOOBS LIKE BENNY HILL'

Dressed for the beach, Helen?

REALITY star Helen Briggs doesn't leave much to the imagination in her see-through CATSUIT.

The 23-year-old Burnley-born beauty starred on *Ex On The Beach* in 2016 – and she certainly looked the part when she made a glittering arrival at the Miss Swimsuit UK competition.

Blue-haired babe Helen wore a black glitzy ensemble which showed off her perfectly-rounded braless norks and black knickers.

She demanded attention in the sheer skin-tight one-piece and made sure her knockers stole the limelight.

CHARGES:
Dr Tutin 'was like Benny Hill', it was claimed

Court told GP thought he was untouchable

A GP squeezed a patient's breasts in a "really immature Benny Hill way" as though they were "a couple of melons", it's claimed.

Alan Tutin, 70, carried out sexual assaults on 25 patients between 1980 and late 2004, the Old Bailey heard.

One of them was asked to take her top off by Tutin on at least two occasions when she was in her early twenties, between 1996 and 1999, jurors were told.

Prosecutor Sally O'Neill, QC, said: "She is not now sure whether she

also removed her bra but she does recall that he then touched her breasts with both hands, fondling and squeezing them in what she described as a really immature 'Benny Hill' way, as though he was feeling a couple of melons."

Tutin was using both hands simultaneously and gave no explanation

for the examination, it was said.

The alleged victim believed there may have been at least two other times when he did the same at the Merrow Park Practice in Guildford, Surrey, before she changed doctors.

She reported it to the police in 1999 after reading local press reports and again in 2014. Earlier the court had been told the GP believed that he was "untouchable" thanks to his status in the community.

Dr Tutin carried out "entirely unnecessary" and inappropriate examinations of victims' breasts and intimate areas for his sexual pleasure, including one on a girl as young as nine, it is claimed.

Misconduct

Jurors heard he abused his position of trust for more than two decades.

Dr Tutin, of Tonbridge, Kent, is accused of sex attacks on 25 women.

He argues that any examinations were for sound medical reasons.

He denies 27 counts of indecent assault and one charge of assault by penetration.

The trial continues.

SUPPERS DOWN

THE proportion of 16 to 24-year-olds who do not drink alcohol has gone up from 18 per cent in 2005 to 29 per cent now, according to University College London.

Branson: I'm weeks away from space!

RICHARD Branson has said that Virgin Galactic is "weeks" away from its first ever trip into space.

"We should be in space within weeks, not months. And then we will be in space with myself in months and not years," the firm's founder and chief executive said.

Branson added that the firm would be taking people into space "not too long after" that.

Sir Richard is in a race with Elon Musk's SpaceX and Amazon to send the first fee-paying passengers into space.

He founded the commercial spaceflight company in 2004, which first promised sub-orbital spaceflight trips for tourists by the start of 2009.

But delays and a fatal crash in 2014 prevented Sir Richard's original ambitions.

Earlier this year, Virgin Galactic completed a supersonic test flight of its SpaceShipTwo passenger rocket – its first since the crash.

Zombie flick man back from dead

ZOMBIE movie maker George Romero left a huge archive of unreleased work when he died last year.

His widow Suzanne confirmed he left "nearly 50 scripts" which "could one day be developed into films".

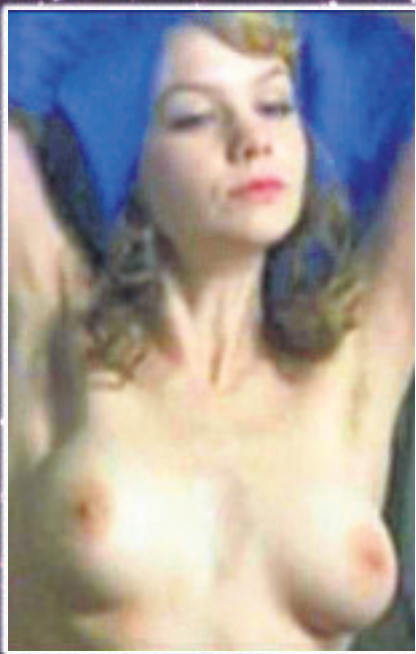

She said of the *Dawn of the Dead* creator: "George was a prolific writer. He loved to write. We have 40 or 50 scripts that he's written and a lot of it is very good."

"He had a lot to say, so it's my mission to make sure he has the chance to tell the stories he wanted to tell before he died."

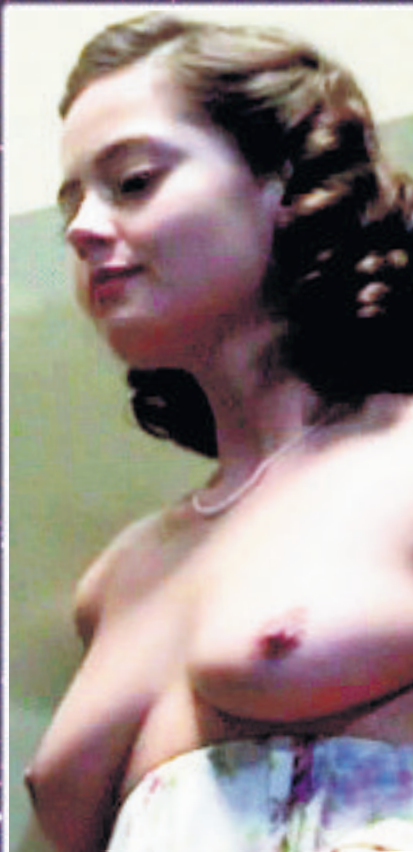

Romero died from lung cancer, aged 77.

Joining her are a new batch of companions including Bradley Walsh, 58, Tosin Cole, 26, and Mandip Gill, 30.

Although Jodie's the first female Doctor, there's been a bevy of busty beauties who've starred alongside the previous Doctors.

MONKEY DRIVES BUS

Firm goes nuts over ape stunt

A BUS driver who let a MONKEY drive his coach for more than a MILE has been suspended.

The shocking incident came to light after a video of the incident went viral. The 36-year-old driver is seen smiling and patting the langur monkey as it sits on the wheel of the moving bus in footage shot by a passenger.

A spokesman for the Indian government's road transport corporation said: "Driver M Prakash has been taken off duty for allowing the monkey to sit on the steering wheel and to handle it."

Risk

"Passengers' safety is paramount and the driver cannot risk it by allowing a monkey on the steering."

The terrifying stunt took place last Monday but authorities only learnt of it after the video was shared on social media.

There were around 30

passengers on the bus at the time and none of them complained.

Local media reports say the langur boarded with a passenger and was at the wheel for almost 10 minutes.

The bus was on its regular trip around Davangere, some 200 miles from regional capital Bangalore, when the incident took place.

FANNY WAY TO SELL HOLIDAYS!

A HOLIDAY advert has gone viral online because it looked like a lady was getting finger-bladed.

Neckermann, Thomas Cook's Dutch sister company operating in mainland Europe, recently released a marketing poster to promote 2-for-1 holiday deals.

But a picture for the German firm's

campaign in the Netherlands appears a tad X-rated at first glance.

Because it looks like the grey-haired bloke is FINGERING his missus!

Actually, he is simply cupping his own knee while his female companion sunbathes beside him.

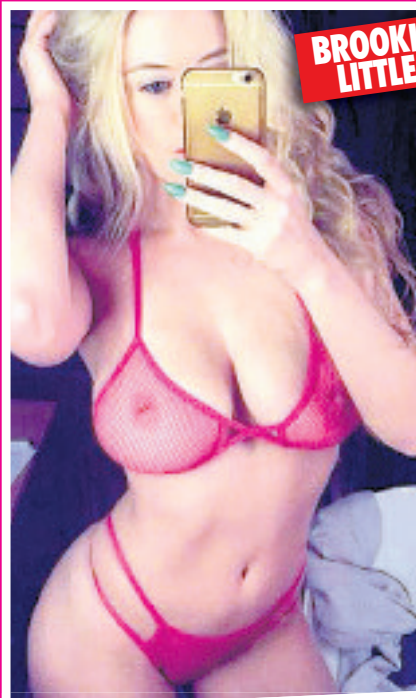

The optical illusion left many people online in hysterics after the advert was posted widely on social media.

One joked: "And you get a free one, too!" Another posted: "It's the expression on their faces that makes you second guess."

But some users cynically thought that Neckermann meant for the advert to go viral.

"They knew what they were doing," said one Reddit user.

Another added: "It made me do a double take, so they're doing something right."

FORCED TO SING WHITNEY SONGS WITH A BOILED BALLBAG

DRUGS FEUD: Hussain (right) and Clarke (below) demanded songs by Whitney Houston (above)

TWO men forced a kidnap victim to strip naked and perform Whitney Houston songs after having BOILING WATER poured on his bollocks.

Sakhawat Hussain, 35, and Andre Clarke, 30, also held a knife to the stomach of their victim's heavily-pregnant girlfriend.

The pair, who carried out the attack following a dispute over drugs, held their 32-year-old victim prisoner and used axes, a baseball bat, a hammer and a knife to inflict serious injuries on him.

Broken

Leeds Crown Court heard that the man was later treated for a catalogue of injuries, including broken bones, significant bruising and reddening on his legs, buttocks and genitals.

Following a five-week trial, a jury convicted west Yorkshire pair Hussain, of Batley, and Clarke, of Newsome, of affray, kidnapping, causing grievous bodily harm with intent and

two counts of false imprisonment.

Jailing both men for 15 years, Judge Robin Mairs said the incident had left "lasting scars" on the victim.

Prosecutors said the defendants visited Michael Dewar, 32, at his home in Healey, Batley, after a dispute over 1kg of cocaine.

Clarke told the victim's pregnant girlfriend he would "cut it out" if they were not given drugs.

The pair returned to the property three days

Drug pair jailed for torture

later, with father-of-five Hussain blaming the man for the alleged theft of £300,000 of drugs.

Three members of the man's family, including his young son, were then held captive in his home, with the victim being taken to his cellar and beaten for several hours.

He was then taken to a flat in Dewsbury, where he was stripped naked and boiling water poured on his genitals.

While at the property, Hussain and Clarke forced the victim to sing and dance to Whitney Houston songs "for their own amusement".

Man killed himself with own invention

THE inventor and businessman who designed the furry sound shields used worldwide on film and TV microphones killed himself with his final invention – a mechanism to attach a shotgun to his foot.

Before using the device to shoot himself in the head, 85-year-old John Gozzard typed a 'very eloquent' suicide letter making it clear he was of sound mind and had taken a 'rational decision' to end his life, a Gloucester inquest was told.

He then rang the police telling them what he was about to do and, sitting on a sun lounger in his Cotswolds cottage garden, he used his foot to pull the trigger.

Divorcee Mr Gozzard had worked as a sound recordist for the BBC, ATV and Southern Television. **VERDICT:** Suicide.

ORAL SEX TAUNT: Bramley with stab victim Michael Lawson

VIOLENT: Saunders

FURY has greeted the "lenient" sentence handed down to a mother-of-two who drove her jealous ex to kill a man - by sending him a blowjob photo.

Pregnant Sarah Bramley, 29, sent a pic of herself performing oral sex on Michael Lawson to violent David Saunders with the message: "Feel free to smack the c**t." She then threw "mild-mannered" Mr Lawson out of her house. Meanwhile, Saunders flew into a rage and stabbed Mr Lawson to death in Darlington, Co Durham, as he

walked home from Bramley's house. Saunders was jailed for life last year and Bramley was sentenced to four months behind bars at Teesside Crown Court this week.

She showed no emotion as she was led from the dock after being jailed for admitting encouraging or assisting the commission of an offence.

Bramley will be entitled to automatic parole halfway through her jail term, meaning she could serve just two months.

She admitted inciting an assault after it was accepted she could not have foreseen that her actions would lead to Mr Lawson's murder.

Nick Dry, prosecuting told the court: "She was involved in an on-off relationship with both men over a period of months."

Explicit

Bramley continued to see Saunders despite her gaining an order against him not to molest her, and knowing he was capable of violence.

Mr Dry said: "Their text messages revealed a love-hate relationship involving sexually explicit messages of love mixed with highly offensive personal abuse."

"At the same time she continued to see Michael Lawson, a kind, mild-mannered man with whom she had previously holidayed abroad."

"Bramley declared her love to Saunders and then revealed she

had recently slept with Mr Lawson.

"She appeared to revel in the drama and attention of the situation."

Defending, Robert Newcombe said: "Miss Bramley had lost her moral compass at the time - she was affected by substance abuse and alcoholism."

Mr Lawson's uncle Ray Scaife said after the hearing: "We're glad she went to jail, it's the only fair sentence."

"She deserves to be in prison, it's a shame it couldn't be longer."

"She knew she was winding up a violent man and at the very least she knew that Mike was going to get a good hiding."

Bramley told police that she had asked Mr Lawson to leave her home as she feared what would happen to him if Saunders arrived.

Within days she fled to Australia and was arrested on her return to the UK in March.

But many online commentators have criticised the leniency of the sentence.

Joke

One said on Twitter: "What a f***ing joke! A man has died and she gets a slap on the wrist for causing it."

Another wrote: "It's one rule for women and another for men. Where are all the equality campaigners now?"

GoT Sophie and pal Masie weed in bath

GAME of Thrones beauty Sophie Turner has revealed that her and co-star Maisie Williams get HIGH in the BATH after filming the drama series.

Sophie, 22, and Maisie, 21, play sisters Sansa and Arya Stark on the popular fantasy series and the pair are best friends off set too - often enjoying a weed-infused post-filming ritual.

Sophie said: "Maisie was special. We just got on like that."

"We're kind of like loners on *Game of Thrones*, just because the past few seasons Maisie and I have sleepovers every night when we're shooting."

"Or every night whenever both of us are in town. We just used to sit there and eat and watch stupid videos and smoke weed."

"I don't know if my publicist will kill me for saying this. We'd get high and then we'd sit in the bath together and we'd rub make-up brushes on our faces. It's fun."

Fact me!

THERE are 125 species of coffee plant but we only make coffee from six of them.

Brits must face chemical attack

BRITAIN must face the possibility of a chemical or biological attack as terrorists relentlessly pursue new methods to commit murder, the Security Minister has warned.

In a stark assessment, Ben Wallace said he sees plots where "the only limits to the ambition of our adversaries is their imagination."

He told a conference in London: "As I speak, terrorists continue to explore new ways to kill us on our streets. Chemical and biological weapons are marching in closer."

"They have developed and worked on a better arsenal, and we have to be prepared that might come to our streets here."

"Be under no doubt the threat is real. Our open, liberal and free societies are easy prey to those that fear little and care even less."

Mr Wallace delivered his cheery view in a speech at the National Security Summit.

PRAT STUDENT'S BOMB 'ART'

AN "irresponsible" student who sparked a bomb scare by hiding a bizarre piece of art on a city centre bridge rang police the next day to ask for it back.

The High Level Bridge between Newcastle and Gateshead was shut after Thomas Ellison left a package comprising a transparent lunchbox fitted with wires, a circuit board and a doll behind one of its pillars.

The bomb disposal unit was called to safely remove the installation in August and it was established the

device was not a bomb two hours after the bridge had been shut.

The next day the 32-year-old dialled 999 to ask for it back, and was told the matter was not an emergency, with the handler thinking he was referring to seized property.

Ellison later rang 101 and officers tracked him down.

The student admitted causing a public nuisance when he appeared at Newcastle Crown Court on Monday, Northumbria Police said, and he will be sentenced on October 29.

AS CLAIRE KING LEAVES CORRIE TO RETURN TO EMMERDALE, WE LOOK AT OTHER THE TV BABES WHO CHANGED SIDES...

NICOLA STEPHENSON

BUSTY babe Nicola, 47, burst onto Scouse soap *Brookside* in 1990 as lesbian nanny Margaret Clemence and stayed in Liverpool for three years.

Once she'd enjoyed some topless sun-soaked breaks, she stepped foot in the Dales in 2015 as Tess Harris for a year-long stint.

TO EMMERDALE

BRITISH soap stars seem to be swapping streets as fast as they're getting their kit off.

After quitting *Emmerdale* Claire King, 55, played Erica Holroyd in *Coronation Street* from 2014 to 2017 before she jumped ship and popped back to *Emmerdale*.

This week she's reprised her role as Kim Tate – a whopping 20 years after she first fled the village.

Funbags

Claire whipped her top off in 1989 film *Cold Light of Day* but she's not the only soap babe to have whipped out her funbags.

Plenty of actresses have switched from soap to soap and happily stripped off between roles too.

From *Loose Women* stunna Denise Welch to Australian beauty Emily Symonds, there's a whole bevy of babes who've hopped around our soaps and peeled off onscreen.

Here's a four page spread to celebrate the very BREAST of British soap switchers...

EMILY SYMONS

FROM **HOME AND AWAY**

TOPLESS babe Kierston, 42, wowed everyone when she stripped off in 2013 flick *The Fall of the Essex Boys* and lit up *EastEnders* when she played Kirsty Branning between 2012 and 2014.

Then she swapped Albert Square for Chester and she enjoyed a guest stint as Ashley Davidson in *Hollyoaks*.

**MICHELLE COLLINS****TO CORRIE****FROM EASTENDERS**

BLONDE bombshell Michelle, 57, enjoys a topless sunbathing session as much as a stint in British soaps.

DANNIELLA WESTBROOK

FROM EASTENDERS

TO HOLLYOAKS

FRESH faced Danniella, 44, burst onto screens in 1990 as Samantha Mitchell in *EastEnders* and played the role on and off until 2016. She also starred as Trudy Ryan in *Hollyoaks* back in 2013 but now seems to prefer flaunting her norks in beachside resorts.

GEMMA BISSEX

FROM CORRIE

SOAP fans will be gutted they've not seen Gemma, 35, in a bikini on the box.

She starred as Clare Bates in *EastEnders* from 1993-1998 and appeared again in 2008 before she played another Clare, Clare Devine, in *Hollyoaks* from 2006 until she was killed off in 2013.

TO EMMERDALE

GEMMA ATKINSON

FROM HOLLYOAKS

TOP-heavy babe Gemma, 33, appeared as Lisa Hunter in *Hollyoaks* between 2001 and 2006 but she then switched soaps. She went to play Carly Hope in *Emmerdale* for two years and looked as good as ever when she first appeared in 2015.

FROM EASTENDERS

ZOE LUCKER

TO HOLLYOAKS

SEXY Zoe, 44, played glamorous Vanessa Gold in *EastEnders* from 2010 to 2011 but she didn't look as dolled up when she switched soaps.

In *Hollyoaks* she played Reenie McQueen and ended up in a jail cell during her stint in 2015 to 2016.

Reviews are bad for soul says Dr Jodie

JODIE Whittaker says she avoided reading the reviews of her performance in *Doctor Who* as it would not be good for her "soul".

However, Jodie – who appeared in the first episode of the new series of the BBC One sci-fi as the first female Doctor on Sunday – said she was excited by fans' response to the episode.

She told fans on an Ask Me Anything thread on Reddit: "I'm excited that the fans have responded so passionately to all this hard work."

"I think there's a dangerous line for me to start reading what's been said. Positive or negative, it wouldn't have the best reaction to my soul."

Jodie, 36, who first appeared as the Time Lord in last year's Christmas episode when she took over from previous Doctor Who Peter Capaldi, received largely positive remarks from critics and fans alike, and the episode was a ratings success, pulling in an average of 8.2 million viewers.

'Headache' man was shot by wife

A MAN woke up in the middle of the night with a banging headache – only to find his wife had SHOT him.

Police initially thought Michael Moylan had been hit by a stray bullet but later realised the couple's stories did not match up.

Moylan, 45, woke up at 4.30am and thought his wife had elbowed him in his sleep.

She drove him to the hospital, where doctors said a bullet had lodged behind his right ear.

Authorities obtained a search warrant for the couple's home in a gated community in St. Lucie County, Florida, and later arrested his wife April.

Evidence showed that Moylan had been shot at close range by someone in the house.

April, 39, eventually told authorities she accidentally shot her husband.

She has been charged with attempted murder.

Celebs shun boob holsters

AFTER a week of stars stepping out without their BRAS, are they going out of fashion?

This week, a whole host of famous faces have decided to go without their brassieres and instead have flaunted their curves for all and sundry to ogle.

Instead of boob holsters, they have unleashed their stiff nipples and let them hang loose in what could be the latest fashion trend.

Actresses, reality stars and models have all been seen baring their breasts while out and about – and could have ditched their brassieres forever.

Here's the nearly topless totty who've paraded their pert pairs...

AS KATE STEPS OUT IN SEXY CALF-LENGTHS THESE BOOTS ARE MADE FOR **BONKING!**

SEXY Kate Middleton revealed this week she's still wearing a pair of kinky boots that she bought in 2005.

But it's no wonder the 36-year-old princess loves her £475 footwear, because they are so horny.

She was first spotted wearing them when she was still a student at St Andrews and she's packed them with her on her globe-trotting adventures

By BECCA STUBBS becca@sundaysport.co.uk

as they've been spotted hugging her legs in India, Canada and Bhutan.

However, three glamour girls reckon a sturdy, sexy pair of calf-length heels can be used for a lot more than a wander about.

They told *Midweek Sport* exactly how they put their kinky boots to good use in and out of the bedroom...

'Maybe these are all I need in the bedroom!'

CASEY BATCHELOR SAYS:
"BOOTS can be so sexy. Every time I slip mine on I feel sexier!
"They make my legs look longer, and strutting around town in them I always get the men staring at me, so I know I look amazing in them.
"I've not worn them in the bedroom yet, but maybe after this photo I should do!
"I'm normally a matching lingerie kind of girl, but stripping naked for this pic might just have changed my mind.
"I can just imagine my fella's face when he sees me wearing nothing but these in the bedroom - plus I'd feel so kinky!
"Maybe instead of matching lingerie, all I really need to wear are these boots!"

'I came loads of times, and it's thanks to kinky boots!'

'Blokes love pussy in boots!'

LEAH FRANCIS SAYS:

"I TELL you what, if calf-length boots are good enough for a royal, then they're definitely good enough for me!"

"Although I'm not too sure we've both got the same thing in mind when we slip our boots on."

"I love wearing these boots in the bedroom, and I've had no complaints about it, either."

"Wearing them in bed turns blokes on, they love pussy in boots – and it makes me feel in charge."

"I love taking control between the sheets and as soon as I put these black boots on, it gives me a bit of a power trip."

"In fact, I turn into a little bit of a dominatrix when I've got them on – it's so, so kinky!"

"Everyone should get a pair, even if it's purely to spice things up in the bedroom."

ADELE TAYLOR SAYS:

"I LIKE turning up the heat in the bedroom with PVC lingerie. It really brings out my wild side."

"Being dominant is fun and seems to turn guys on, so I include it in my bedroom playtime."

"I love my Pretty Woman-style boots. Put it this way, my fella feels as lucky as a millionaire when I put them on!"

"I love to get really dolled up and throw on the hooker boots, teamed with a really short, slutty mini-skirt."

"I once arranged to meet a guy I was dating in a bar in a hotel to act out this fantasy."

"We had mind-blowing sex after I told him he could do anything he wanted to me."

"He was really rough and dominant – he was loving it and felt he could be as dirty as he wanted. I came loads of times and I've never had sex like that before!"

"To this day, I still say that shagging session was amazing because of the kinky boots I wore!"

SEX PEOPLE BEG AMANDA FOR 3-SOME

THREE
WISHES:

Amanda's
bum grab

By BECCA STUBBS

becca@sundaysport.co.uk

TELLY judge Amanda Holden has been hounded by sex people begging her for a THREESOME!

The 47-year-old celebrated fellow *Britain's Got Talent* judge Alesha Dixon's 40th birthday by posting a photo of her with her hand on Alesha's leather-clad arse.

Frisky

Fans were quick to react to the cheeky snap, with one social media kinkster begging for a group shagging session.

Calling himself *pbbr32143*, he said that he hoped Amanda would join him and his wife for a ménage-a-trois.

He wrote: "Well if I knew you were that way inclined my missus and I would have asked you to join us ages ago."

And the offer might not be completely rebuffed as Amanda has admitted she'd love to get frisky with another woman.

During *Men & Motors* show *Talking Dirty* in 1999 she revealed she'd let a woman lick her fanny.

She said: "My best fantasy I think, if I'm completely honest, would actually involve another woman. She'd have to accidentally kiss me or something like that and then it could go into something else."

"I'd like to say that I could never go down on a woman but I'd probably have a woman go down on me."

'LOST' MONKEY SEX BOOKS SALE

FILTHY monkey-bumming books which should have been destroyed more than 200 years ago have been found.

The books were so controversial French courts ordered their destruction in 1815.

But six volumes of the Marquis de Sade's *Justine* survived and were found "by chance" in London. They are now expected to fetch thousands of pounds at auction in Staffordshire.

The work was published anonymously in 1797, and in 1803 Sade was declared insane.

Jim Spencer, of Hansons, said: "These books should simply not be in existence. Their content was deemed too shocking. All copies should have been destroyed."

"Though they are more than 220 years old and times have changed, it's still impossible not to be very, very shocked by the contents, which include pictures illustrating sexual acts with monkeys."

Migrants face a big city ban

THE Australian government is considering banning some immigrants from settling in big cities.

Minister for cities, urban infrastructure and population Alan Tudge said he wants to cut the number of immigrants moving to Sydney and Melbourne in a bid to reduce congestion.

He said that placing conditions on visas that force immigrants to stay in less popular centres would increase the likelihood they'd settle in those places permanently.

Mr Tudge said: "Nearly every visa has conditions attached to it, so it wouldn't be unusual to have a geographic attachment to a visa."

Australia is one of the most sparsely populated countries in the world, but most of its population live in cities – with 40 per cent in Sydney and Melbourne.

Cop resigns over trainee 'sex attack'

A SHERIFF's deputy told a 19-year-old trainee he "owed him" ORAL SEX for helping with the teen's studies.

Scott Walker, 39 (above), is said to have made the demand of the unnamed lad after showing him how to write official reports.

The trainee ignored Walker's blowjob remark but Walker then put his hand up the teenager's shorts and underwear at Polk Co Sheriff's Office in Lakeland, Florida.

He is then said to have touched the lad's privates, and penetrated his anus with a finger.

Walker then locked the door of the room they were in, before returning with his pants half down.

The trainee's ordeal only ended when he frantically texted pals asking for help, with Walker freeing him after realising what the youngster was doing.

Walker resigned from the sheriff's department after 19 years' service.

He has since been charged with sexual battery and false imprisonment.

DAKOTA: I LOVE MY 50 SHADES SEX

(So do we, luv!)

STUNNING actress Dakota Johnson says she has NO REGRETS over her kinky role in the *Fifty Shades of Grey* franchise.

Dakota, 29, played submissive Anastasia Steele in the three movies but says she isn't ashamed of the BDSM bits in the films.

However, the busty beauty did admit it was hard to shoot the numerous sex scenes alongside Jamie Dornan – who played her 'master' Christian Grey – without them getting BORING.

She said: "Shooting two films back to back, where the majority is the same, over and over, did get a little bit tedious."

Tricky

"It became 'How are we going to make this goddamn sex scene better than the other ones?'"

"There's only so much you can do when the film is rated R."

"It was tricky. But it was a challenge I'm not ashamed of and I'm infinitely grateful to. I learnt so much about my personal resilience."

Dakota stars in another sexed-up film when she plays Susie Bannion in horror flick *Susperia*, which will be released on November 16.

CANNIBAL PAEDO ATE MAN'S EYEBALL

Perv boiled it up for snack with his 'girlfriend', 12

A MAN accused of murder, paedophilia and cannibalism gouged out his victim's eye, boiled it and ate it with his 12-year-old 'girlfriend'.

Arkady Zverev, 22, also confessed to putting the severed head of murdered Alexander Popovich, 21, in a microwave and turning it on the highest setting for three minutes.

He told a court in Russia that he and his alleged accomplice – only known as Valeria – had eaten the man's cooked brains.

Macabre

Zverev pleaded with the judge from a metal cage at Kirovsky District Court, near St Petersburg, to banish journalists from the court, saying: "I do not want fame."

The court was in closed session due to the age of the schoolgirl, who state investigators say took part in killing and eating Popovich.

Pothheads enjoy better bonking

A MEDICAL study claims women have better sex when high on WEED.

The Journal of Sexual Medicine report looked into how marijuana use before sex affected sexual intercourse, by how much, and which parts of sexual function were affected.

Researchers found that 68 per cent of women who used cannabis before having sex found it more enjoyable.

In a second study, experts from Stanford University found a direct link between cannabis consumption and greater sexual frequency.

Researchers surveyed 28,000 women and 23,000 men and found cannabis users have 20% more sex than non-users.

Weed is also said to help women who have trouble achieving orgasm, where a cannabinoid receptor in the central and peripheral nervous system is triggered.

#POSTER BABE

By RACHEL PORTER

rachel@sundaysport.co.uk

KINKY babe Amy Lou might be clad in a pair of knickers in this sexy shoot – but she much prefers going **WITHOUT**.

Amy, from Chigwell, Essex, boasts a pair of 34E norks but loves showing off her fanny too – and reckons that crotchless underwear is the best way to do it.

The 24-year-old also enjoys role playing and, unsurprisingly, her lucky fella has no complaints in the bedroom.

Role-playing

She said: “I’ve got this PVC white dress that’s a nurse’s outfit and I love role-playing when I’m wearing that.

“My fella loves my crotchless knickers, he thinks it’s so hot, and he loves that he doesn’t have to take them off before getting his hands on me.

“Sometimes I’ll go commando and then whisper to my fella that I’m knickerless when we’re out for a meal or drinks – it drives him crazy!”

THE WORLD FAMOUS AGONY Page

Dear Kelly,

I'm a keen member of a cycling club and have enjoyed the company of other members of the group – all like-minded men – on our journeys into the hills for several years.

Last month, after a committee meeting lasting all of five seconds, we accepted two new recruits. Our new members are stunning 19-year-old girls with huge tits.

On their first ride, all the fellas were stunned and disappointed because they arrived with a tandem and they refused to split up.

And I found out why when we went for another ride last week. I spent most of the trip pedalling behind them gazing at the sight of their firm, sweaty arses and wishing my face was their saddle.

I lusted after them all day and fantasised about having a threesome with them, so much so that I had an enormous stiffy when we stopped at a tea shop.

But what a disappointment I got when I went to the toilet for a quick wank.

As I came out of the cubicle I spotted the pair of them at the back of the toilet fingering and licking each other out.

They're obviously raving lesbians. What a waste.

ST, South Wales

Kelly says...

DON'T give up just yet. You never know, they could be swinging both ways.

Dear Kelly,

MY lovely personal assistant at work keeps on pestering me to shag her.

But even though she's very pretty, with truly impressive 38DD-24-35 curves, she's a curly-haired brunette.

And I much prefer blondes – like my dream girl, TV's Holly Willoughby.

Last week my PA bent over the desk directly in front of me and flashed me her knickerless and perfectly trimmed fanny.

But I didn't even feel a trouser-twitch.

Do you think I should go for it or hold out for a chance to get my legover my dream babe?

LT, Lancs

Kelly says...

HOLLY is tasty but you've got to be realistic – shag the brunette.

I had unexpected play while wife was away

Dear Kelly,

I'm a 27-year-old married father-of-two and last weekend I was left with the kids as my missus had gone off to visit some relatives.

I decided to go to a holiday park. Once we were there the kids, aged five and seven, were in their element and I noticed that they had made new friends.

I was sitting on a bench and the other kids' mother – a great-looking bird – sat down next to me and started chatting.

It turned out she was in the same position as me as her man was away on business.

We decided to go for a meal that night at the onsite restaurant and arranged babysitters.

She looked great in her slinky,

low-cut dress and the red wine got her going.

We went back to her cabin, paid off the sitter and got down to it.

She pulled her dress up over her head to reveal a pair of fabulous breasts that I guess were about 36D.

She peeled down her thong to reveal a true blonde thatch and pulled down my zip, letting my throbbing cock spring to life.

I bonked her over the sofa until she screamed.

Now I'm back home with the missus, I feel rotten.

What can I do?

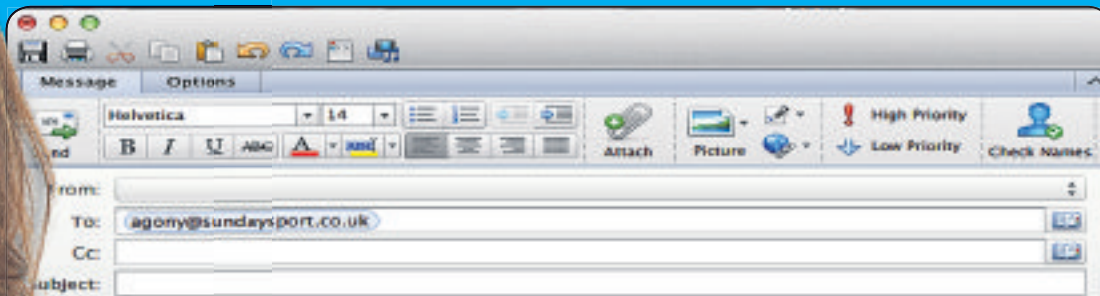

TH, Dorset

Kelly says...

TAKE your wife next time, love-rat..

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week **KELLY McGREGOR** has been reading through your letters. And here's her advice for you...

I've turned slapper into a real belter!

Dear Kelly,

I AM a man of 23 and I am into mild S&M now and again to spice things up.

It took a bit of persuading but I managed to get my new 19-year-old girlfriend to give it a try.

I told her I would like her to dominate me and to give me a damn good spanking.

She didn't really seem all that keen on the idea but agreed to give it a go, so I stripped naked and draped myself over her knee, ready to receive my 'punishment'. She placed her left hand on the small of my back and started to slap my bum with her other hand.

She was quite disappointingly gentle at first but she grew in confidence with each slap and was soon giving me a good belting.

She continued until my backside felt quite sore and gave me a happy tingle.

But it was as I got up that her attitude totally changed from the reluctant dominatrix she was when I suggested S&M.

Her face took on a stern look as she ordered me on to the bed and demanded that I shag her.

It was clear that she was turned-on something rotten and as a result we went it like rabbits for the best part of half an hour, frantically bonking until we were thoroughly breathless.

Climaxed

During that time she must have had three almighty climaxes and I shot my load twice – something that I'd never managed to do before in such a short space of time.

Now she's really been bitten by the bug and doesn't want sex unless she spansks me first.

Last week she surprised me when I got home late from work by wearing a load of dominatrix gear she'd bought online, and showing me a range of vicious looking equipment she'd also

picked out. She asked me if I would let her use her belt on me. I agreed but told her to be careful and not to do it too hard.

She told me to stand facing the wall and she started to whip not only my bare buttocks but all up my back too.

This hurt so I turned to tell her to go easy a bit.

I was shocked at what I saw. Her face had completely changed and she had a cruel look. She screamed at me to get back in position so she could continue to punish me until she decided to stop.

She warned me that if I refused she would dump me and throw me out and then I'd be homeless.

I want to warn guys to be careful of what they introduce their girlfriends to as it could all go wrong.

SK, Salop

Kelly says...

TAKE it like a man. You know you want it!

Dear Kelly,

I'VE just come back from a holiday in the Greek islands, where I met a stunning local girl who shagged like a rabbit.

She was a waitress and I fancied her as soon as I saw her great curves.

There was one problem – my fiancée was with me.

But after two days we had a blazing row and she took a flight home.

That night I rushed to the restaurant and chatted up the Greek beauty.

At closing time, I offered to walk her to her apartment, but on the way we stopped off on the beach.

It didn't take long to get naked on a lounger. I was in heaven as I fingered her as she played with my throbber.

Then we rolled onto the sand, where I slipped in my penis and began riding her for all I was worth.

She screamed in what I thought was ecstasy as I came to climax.

But when I'd calmed down she explained to me that my dick was covered in sand and she had been in agony as I pumped backwards and forwards.

I never bothered to see her again, because the next day my willy was red-raw and of no use to anyone!

SP, Essex

Kelly says...

SERVES you right for being unfaithful.

Breakdown babes left me with a bill

Dear Kelly,

WHILE driving home from work with a colleague, we were forced into a diversion through the countryside.

We were unlucky enough to get stuck in a queue of traffic behind a broken-down lorry along a narrow lane.

Soon our attention wandered to two gorgeous big-boobed blondes in a big 4x4 vehicle behind us.

Somehow in the traffic jam they had managed to roll into the back of my car and the damage was fairly extensive.

The driver, who was older than her cute passenger, was very apologetic. While checking the damage, she bent over and showed off her pert backside.

I was soon fully revved up and she immediately noticed my throbbing gearstick.

She gave me a kiss, grabbed my crotch then led me into the nearby field and soon I was rear-ending her.

Then she clamped her lips around my shiny helmet until I shot my love-juice over her heaving breasts.

As we returned to our cars I could hear a horn blasting, and I assumed it was the cars behind getting impatient.

Then I saw that it was my mate having his dick serviced by the younger blonde, and his knee kept hitting the horn.

I was shocked as my bird said that her daughter was doing it all wrong – and she stepped in and brought him off with her own gob.

The jam cleared soon after, but as we drove home I realised that we hadn't swapped insurance details.

Now I have a whopping repair bill to pay.

ME, Wilts

Kelly says...

SOUNDS cheap at the price.

MORE than a THIRD of all couples have admitted filming themselves SHAGGING using their PHONES.

In a new survey, which shows how technology has swept the world, IllicitEncounters.com showed the effect smartphones are having on sex lives.

IllicitEncounters.com, the UK's leading dating site for married people, quizzed 1,000 folk about their bonking habits.

A third of couples have filmed themselves having sex, while a whopping 52 per cent have exchanged steamy pictures of each other as a form of foreplay.

Three-quarters of those surveyed said they have used their phone to enhance their sex lives, either by making or viewing erotic footage.

However, some answers showed how phones can have a negative effect on a romp, with more than a quarter of respondents admitting to answering their phone during sex.

Erotic

Around 18% had made a phone call while getting jiggy and a fifth had stripped off or wanked off while on a video call to their other half.

The study found that people having affairs were even more likely to use their phones for sex, with four out of ten people cheating on their partners having filmed themselves bonking their lovers.

People being unfaithful were also more likely to indulge in sex play on their phones with their lover than they would with their spouse.

Two-thirds of respondents said their smartphones made it easier for

them to have an affair because of the opportunities it created to secretly meet new partners and interact.

IllicitEncounters.com spokesman Christian Grant said: "What this new research shows is that smartphones are fundamentally changing our sex lives.

"We are using them to spice up sex, filming home-made erotic movies and to meet new people or cheat on our existing partners.

"It is an exciting development and it is allowing lots of people stuck in stifling relationships to branch out and inject added excitement into their lives."

We asked three *Sport* stunnas if they've ever used their phones to spice things up between the sheets...

Susie Sutherland says...

PHONES have made my sex life better. I'm always sexting, sending kinky selfies and when I do shag, it's always captured on camera - it makes the bloke try harder too!

'I love to play back old sex movies I've made to get me in the mood'

AS you can see from these amazing pics, busty Adriana isn't shy when it comes to getting her kit off in front of the camera.

The glamour model revealed she's also a natural when it comes to making homemade sex videos, too!

Adriana, 27, who boasts 32C palm stretchers, said filming herself and her man getting wild in the bedroom always gets her turned on.

Watching

And the blonde babe, from Czech Republic, finds it even SEXIER when they then watch their X-rated film back on a big telly.

She said: "I find it so hot to film what we're doing on my mobile phone, then watch it back on TV."

"My fella loves watching me give him a blowjob – it

really gets him going.

"I also love doing it doggy and putting the phone in between my legs and watching his cock pump in and out of me.

"It feels like we're in our own porn movie.

"If he pulls out and then explodes his hot sticky mess on my bum he'll grab the camera and film it.

"I love seeing that – it feels so naughty.

"My fella loves setting the phone up on a tripod and me going on top in a reverse cow girl position.

"Then he gets to see my arse bouncing up and down and when we watch it back he can see my tits bouncing up and down, too.

"Sometimes we play back older sex movies we've made to get us in the mood for a good session – then film that, too!"

Callum, 46, from Nuneaton, Warwickshire, spends his days working on building sites and his nights ogling photos of 26-year-old Bedford-born babe Ella.

He said: "She's a stunna. There's a photo I saw a while back of her in a corset with her perfect 32DD's poking out the top."

"It's a really hot photo and if you could dig it out for me, that's great!"

LINETTE

LOVELY Linette is Michael Green's ideal woman – and judging by this snap, it's not difficult to see why!

Michael, 29, from Hull, is an oil rig worker and likes taking photos of his favourite *Sport* girls on the rig with him.

This time, he opted for a sexy shot of 30-year-old Glaswegian beauty Linette to take back on the job – and we hope we've delivered a corker!

Michael said: "A photo of Linette flaunting her 34EE knockers would keep all of us going over the winter shifts."

He said: "Ashley's a real babe. She's from Manchester too, but I've never seen her at work before – although I'm not sure I'd recognise her with her clothes on!"

"She's got these mega 32G boobs and I'd love a photo of her to remind me exactly how big they are – thanks!"

INJURY SCARE:
Gareth Bale

GAZ BALES OUT OF BIG REUNION

WALES entertain Spain in Cardiff tomorrow night in a friendly and it looks as if Gareth Bale will miss it — against many of his teammates — having come off in the last 10 minutes of Real Madrid's 1-0 defeat at Alaves at the weekend.

Spain showed what a good side they were at Wembley last month and are 4/11 to beat a Wales side who I felt played well in defeat against an improving Denmark side. The hosts are 15/2 to beat Luis Enrique's talented men who could give a first cap to Wolves defender Jonny Otto who has been outstanding. Note the Spanish are without Isco and Diego Costa.

Jose Mourinho remains odds-on favourite (4/7 with BetVictor) to be the next Premier League manager to lose/leave his post despite Man United's tremendous comeback against Newcastle at Old Trafford. Paul Pogba was the catalyst for the change in United's fortunes but what about Mourinho's initial selection?

I think everyone felt sorry for Scott McTominay in the opening 45 minutes, when he looked completely out of his depth, but he (and Marcus Rashford) didn't need to be singled out for criticism by his manager in his latest post-match rant.

We have a number of United specials for the rest of the season and bet:

- To win any Trophy 3/1
- To win the Premier League 100/1
- To finish in the top four 3/1
- NOT to finish in the top four 2/9
- To finish higher than Arsenal Evens
- To finish higher than Spurs 5/2

Arsenal have won nine games on the spin under Unai Emery and their win over a poor Fulham side at Craven Cottage was, arguably, their best yet. Lucas Torreira has added much-needed solidity to their midfield in recent weeks, but they remain 11/10 with BetVictor to end the campaign in the top four.

Eden Hazard has been head and shoulders above the rest of the division so far this season and the Belgian is 6/4 to be named PFA Player of the Year with David Silva, Harry Kane and Sergio Aguero 12/1.

The race to be Young Player of the Year looks more interesting. Raheem Sterling is the 5/1 favourite with Naby Keita 6/1, Leroy Sane and Richarlison 8s and Ruben Neves 12s. If anyone can explain to me why Keita is 6s and teammates Trent Alexander-Arnold 14s and Joe Gomez 16s I would be interested to hear from them. Gomez looks overpriced.

England play their 1st ODI against Sri Lanka in Dambulla this morning and the visitors are 4/9 with to take a lead with the hosts 2/1. Jonny Bairstow had a difficult summer against India with the bat, but he should find the Sri Lankan attack less taxing. He is 4/1 at to be top England runscorer and that is a shade too big.

Sri Lanka have left out Angelo Mathews with the coach saying his running between the wickets had become a liability. Mathews has been involved in 64 run outs and on 49 occasions his partner went!

United starts need to play for Jose

ROONEY AND LAMPARD GET BEHIND MOURINHO

By JOHN ANTHONY

JOSE Mourinho is NOT solely to blame for the trouble at Manchester United.

That's the verdict of Reds legend Wayne Rooney and Frank Lampard — who both think the players should pull their finger out.

Rumours that the Portuguese was about to be sacked spread like wildfire at the weekend before United's comeback win against Newcastle.

That stopped a run of three defeats in eight Premier League games that already looks to have killed any title hopes at Old Trafford.

All the focus has been on

Mourinho — but Rooney and Lampard are pointing the finger at those who wear the shirt.

Lampard was mentored by Mourinho at Chelsea and is backing his former boss.

The current Derby gaffer said: "They're a team full of quality players — a club that success is demanded of, week-in, week-out, season on season."

"For Jose Mourinho, being a manager myself now, I know how tough it is when things aren't quite going right."

Newcastle was a massive win, which I was personally

very happy with for him, and now it's down to the players.

"The players have to perform at the level they did in the second half against Newcastle every week."

Rooney agrees with his former England team-mate.

He said: "It has been a tough situation."

Counted

"The players, the manager, it has been a tough start to the season."

"I know Jose is getting a load of stick, but I said a few weeks ago, the players have to stand up. They have to be counted and they have to be better."

"The manager can do so

much, but then it is down to the players on the pitch to produce and probably collectively."

"The bad run is a bit of everything coming together, but Jose is an easy target at the moment."

"Some of the players have to be better."

Even David Moyes — sacked himself after 11 months at the Reds' helm — feels sorry for Mourinho and is backing him to make things right.

The Scot said: "I think the club are firmly behind the manager."

"He's been a winner, Jose, throughout his career, so I don't see why that should suddenly change."

CLASS: Gosden

Jump to it with star Shuhood at Ludlow

WINNING POST WITH BEN MORGAN

JUMPS racing is back at my local course, Ludlow, today and I think I've got a couple of nice chances to start the season on a high.

Ian Williams won the opening race on the card last year with a high class Flat recruit and I am anticipating him to repeat the feat.

SHUHOOD (NAP) has proven himself to be a decent flat horse, rated 86 and I see no reason why he shouldn't take to jumping. His owners have enjoyed great success with their dual purpose performers and they return to a venue which has bought them some of that success.

The forecast good ground should suit CHILLI FILLI as she makes her reappearance over hurdles in the 2.40.

Connections have been impressed with how she has strengthened up over the summer and do plan to send her novice chasing at some point. However, this looks a nice opportunity to have a pipe opener as she could well be on a good mark still over hurdles. Her form reads well and she is still lightly raced so still unexposed.

Riches

Back on the level, I expect BUFFALO RIVER to be hard to beat in the opener at Kempton.

John Gosden has an embarrassment of riches when it comes to his two year olds, which is slightly surprising as he does tend not to overrace them in their juvenile season.

However, he thinks this year's crop can take the racing and this particular one has form that ties in with the best of them.

His run behind Turgenev and Royal Marine is the best form on offer given what those two have gone on to achieve since. If he reproduces that or even improves on that then he should be winning this.

It's a similar story with SOVEREIGN GRANT who was slightly disappointing last time out.

He was disappointing because he had shaped nicely on debut and many expected him to take the race easily but it was a messy affair so I'm willing to forgive him for that.

He is better judged on that Sandown run where he was learning on the job.

Ben's Best Bet - Lucky 15 - Shuhood, Chilli FILLI, Buffalo River & Sovereign Grant

BARK CAN FILL MY BOOTS

Hazard: Chelsea don't need me — they have Ross!

CHELSEA ace—and soon to be Real Madrid star—Eden Hazard says the Blues have a ready made replacement for him at the club.

The Belgian looks certain to leave London for the Spanish giants either in January or at the end of this season. But he's urging Chelsea fans to keep their chin up — because ROSS BARKLEY is ready to fill Hazard's boots.

The former Everton playmaker has had a tough time with injuries since leaving Goodison Park.

But he has been given his chance by new Bridge gaffer Maurizio Sarri and is beginning to show the form that had him branded the "new Rooney" in his early time with the Toffees.

Now Hazard is backing the 24-year-old to make a much bigger impact.

He believes he can become one of the best players in the world.

He said: "I remember that I was watching him at Everton.

"So, he is still young, I think he is a good player for the future of Chelsea.

"When you have confidence, you play more often. At the moment, he is playing, he played in the Eu-

ropa League and at the weekend. He is playing 75 minutes. Confidence comes when you play games.

"So, I think he is a fantastic player.

"I think Ross, if you give him the freedom to play and the confidence on the pitch that he can be one of the best in the world in midfield.

"He is strong, powerful, can dribble, he is clever, shoot and score.

"He has everything to be the best. I think he is a fantastic midfielder and, if he has the players around him to help him play, then he can be one of the best."

Sarri echoes Hazard's words and believes Barkley is a key member of his squad.

Desire

He said: "I think he is strong, you can see on the pitch that he is very strong.

"He had some bad moments last year and two years ago with injury but I think he can reach a fantastic level because he is a fantastic player."

As for Hazard, his move to Real Madrid seems to be moving closer by the day.

He has stopped making any secret of his desire to move to the Spanish capital.

Chelsea are trying to tie him down to a new deal but it doesn't seem too likely — unless they offer ridiculous money.

Hazard said: "I am playing good football at the moment. Real Madrid is the best club in the world. I don't want to lie today.

"It is my dream since I was a kid. I was dreaming about this club. We will see.

"I don't want to talk about this every day. I don't have time but we will talk about my future soon. I think so."

SANCHO'S A £100m MAN

ENGLAND teen sensation Jadon Sancho has had a £100m pricetag slapped on him by Borussia Dortmund.

The 18-year-old has been dazzling German football enough to earn his first call into Gareth Southgate's squad.

He tops Europe's assist table with nine despite coming off the bench for most of his Dortmund appearances.

And the youngster — who walked out on Manchester City because he wasn't

getting his chance there — is being hunted by the biggest clubs in England.

Only Pep's lads are not keeping a close eye on him, with Manchester United, Chelsea and Tottenham particularly keen to sign Sancho.

Dortmund know what they are doing with a young star having pocketed more than £100m when Ousmane Dembele signed for

Barcelona at the age of just 19.

The Germans see Sancho as the replacement for him and have even given the Young Lion the No7 shirt.

Theo Walcott knows what it's like to break into the England side at a tender age and is backing the new sensation to come good.

The Everton winger was just 17 when he was called into his first squad.

He said: "He can deal with it, he's been in the Dortmund dressing room,

he's played at their stadium which is fantastic. He won't be fazed at all.

"Of course it's still daunting, but when you get down on the field and play football that's all you want to do, you just want to play, it doesn't matter who it's for.

"You just want to go out there and do your best and I'm sure everyone will.

"The young players with England is fantastic to see and they've just got to take their chances. Good luck to them all."
